Approve a Section

Learn how to approve a Section Macro that you are assigned to.

Instructions

You may have received an email (if this is enabled), or may have navigated to a page where you are mentioned in an Approver list.

Use the following instructions to Approve or Disapprove a page:

1. Go to a page containing the macro
2. Scroll to the Macro
3. Click on the Approve link next to your name to approve the macro
4. Click on Unapprove link next to your name to unapprove the macro
